# 1979 . . .

## WHAT "WOWED" US IN '79?

What "wowed" us during the 1978-79 school year? Check it and see... The disco scene, popular all over the country, hit EHS making way for curly hair, satin attire, and spiked heels... Double or triple piercing of the lobes went in one ear and out the other... Louise Brown, the world's first test tube baby, was born in England on July 5, 1978... EHS students became addicted to little white McDonald spoons... The mass suicide-murder of the religious cult led by the Reverend Jones in Jonestown, Guyana hit the world by surprise... Fuzzy Zoeller upset Ed Sneed in the US Masters Golf Tournament... Ellendale's first community theater, the ACT I Players, was established... A good share of the EHS junior and senior girls skipped school lunches for a less-fattening diet of Figurines and Tab... "Animal House", starring John Belushi, tickled our funny bones and started ideas of "toga parties" and "food fights"... Within a span of a few months, the Catholics and Protestants alike witnessed the death of two Popes, and the extremely quick descision of the third Pope, Pope John Paul II, by the college of Cardinals... "Mork and Mindy" hit the tube, spreading such expressions as "Humor-arr, arr", and "Nanu Nanu"... EHS got Van Halen fever... A DC 10 crashed shortly after take-off from Chicago killing 274 people and causing the temporary grounding of all US DC 10 airplanes... President Jimmy Carter was instrumental in the peace treaty signed by Begin of Isreal and Sadat of Egypt... Coastal upset Spectacular Bid in the running of the Belmont Stakes... Everyone became "wild and crazy" with help from Steve Martin... EHS students continously fought over green M & M's... "Paradise By The Dashboard Light" by Meatloaf got EHS students singing at the top of our lungs... The gas shortage caused gas prices to soar to over \$1.00 a gallon in many parts of the US, along with gas rationing and the truck drivers to strike... The Bee Gees had hit after hit after hit after hit record... "Halloween" kept everyone from sleeping for two weeks... A highly dangerous hydrogen bubble at the nuclear plant located on Three Mile Island in Pennsylvania caused government inspections of other plants around the country and more antinuke demonstrations headed by celebrities such as Jane Fonda... "Saturday Night Live", complete with "The Coneheads", "The Nerds" and "Rosanna Rosannadanna" gave us outrageously funny television entertainment... Notable persons that died during the year included Will Geer of "The Waltons", Israeli politician Golda Meir, and the well-loved John Wayne... In the World Series, the favored Los Angeles Dodgers lost to the New York Yankees... Academy Award winning movies the "Deer Hunter" and "Coming Home" expressed the tradgedy of the Vietnam War... Disco music such as "Macho Man" and "In The Navy" by the Village People, "Last Dance" and "McArthur Park" by Donna Summer, and several tunes by the Bee Gees soared on the music charts, but were not to be out done by rock and roll, the country's standing favorite... "Grease" brought nostalgic ideas of the 50's to the young... EHS students began to exclaim "unreal!" around the halls... EHS girls read paperback books 500 pages thick in some cases... Cheryl Tiegs was a hit with the EHS boys as well as the rest of the country... The United States and Russia continued the strategic arms limitation talks (SALT)... The rock group "Kiss" made their first television movie "Kiss Meets the Phantom"... Dolly Parton was big news in the country-western charts... Nancy Lopez, a rookie golfer, hit the greens in an astounding winning streak... Punk rock hit the music business with a shock, leaving us wonder-punk, funk, or junk?... "The Buddy Holly Story" became a motion picture... There was extensive flooding in the Red River Valley of North Dakota this spring causing thousands of dollars worth of damage... Several times during the year, farmers throughout the US boycotted farm prices by driving tractors to Washington DC to demonstrate... Billy Joel contributed many hit records and gained a nice following... For the first time in several years, an RCA Rodeo was held at the fair grounds in Ellendale-this time for Round-Up Days... After many years, China and the United States normalized relations... Muhammed Ali and Leon Spinks gave boxing fans a bout to remember, with Spinks emerging as the new world heavyweight champion... Fran Tarkenton retired as the quarterback for the Minnesota Vikings... 1979 was the year of the child, prompting many recording stars to entitle the proceeds of hit records to go to UNICEF... And how "wow" was your year?

## Two Named All-Conference

The 1978-79 football finale ended with a 2-7 record. The Cardinals stopped Milnor with a score of 14-0 and Edgeley with the score of 19-0 for their two wins. Coach Alger commented that the team lacked quickness and good defense but had good enthusiasm.

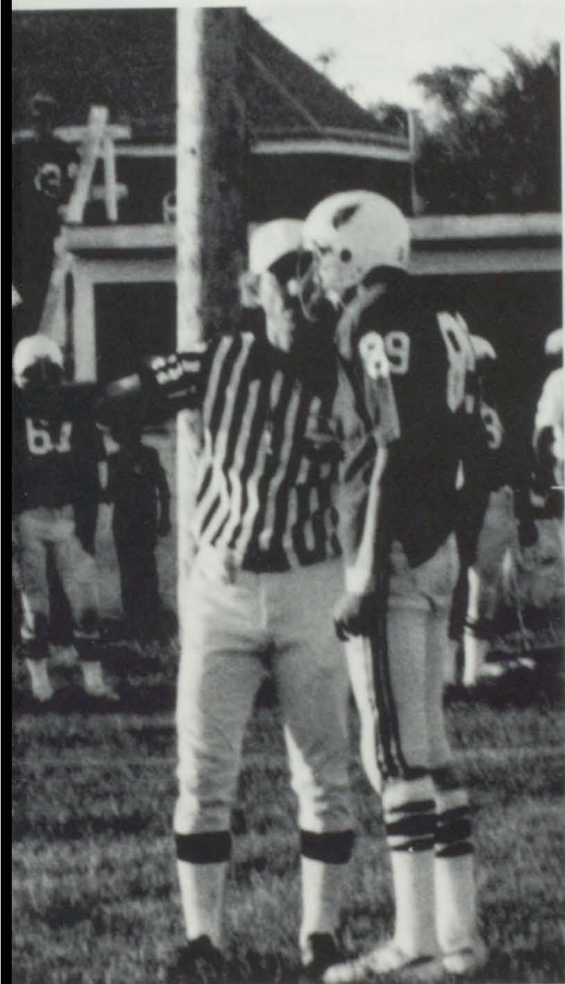

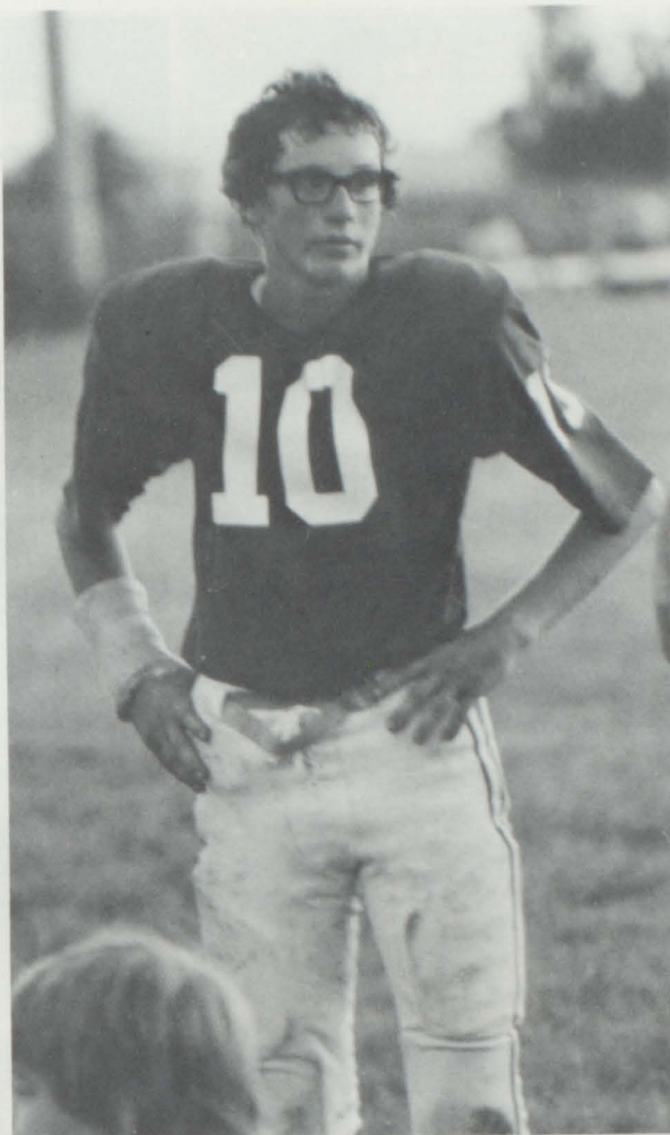

The team led by captains Jeff Mangin, Joe Purdy, and Russ Zinter, consisted of 39 players, 11 were Seniors. Two Seniors Jeff Mangin and Russ Zinter were selected to the all-conference team.

Taking care of the equipment and statistics were Don Babcock, Vicky Bertsch, Norman Hagen, and Curt Krovoza.

# GIRL'S BASKETBALL

## Young Team Gains Experience

The girls' A-Squad team was coached by Lyla Campbell and Assistant Coach Larry Wenaas. Captains were Dawn VanGarven, Kim Hoffman, and Mary Schmidt. In spite of being a relatively young team, the girls played a competitive season.

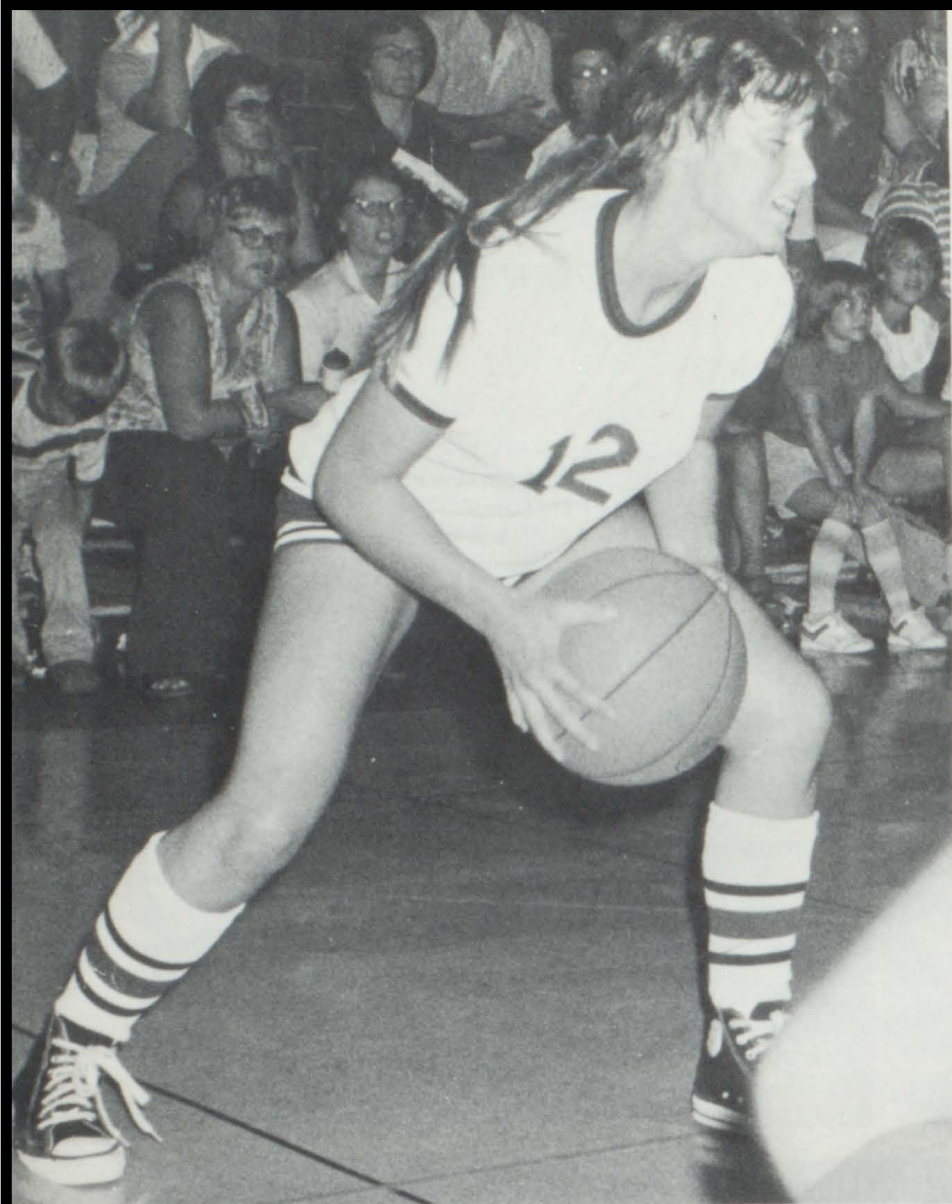

Coached by Larry Wenaas, the B-Squad enjoyed a fine 11-4 season. With the experience gained from this year, the Fighting Cardinals should be a team to reckon with next year, predicts Coach Wenaas.

# THE BOOK

## Redbird Staff Presents "1979 - A Slice Of Life"

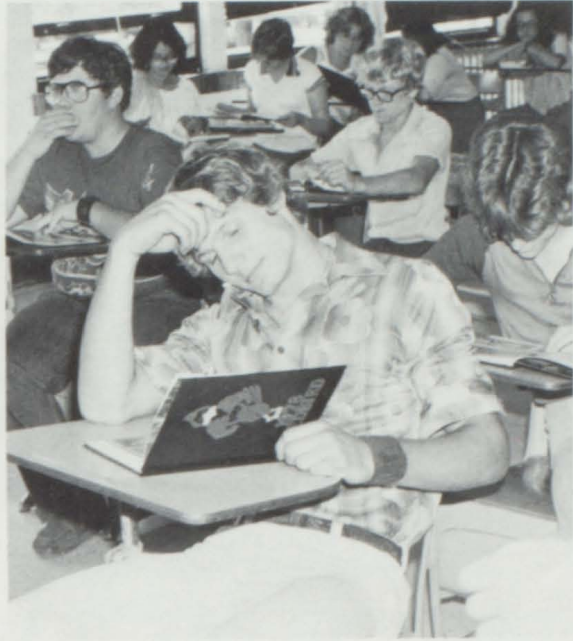

Writing the words, snapping the shots, drawing layouts, typing the tales, keep the staff busy as the deadlines approach. We hope that within these pages you will find the photographs and words to help recapture the spirit of the school year. A yearbook is for remembering the faces, recalling places, reliving a game, and remembering a name. Your yearbook is a treasury of memories whose value we hope will increase with the passing years. The Annual staff has tried to compile a book that hopefully has recaptured a bit of your school days within the pages of this Redbird.

## STUDENT MANAGERS

A person must be in mental and physical shape to be a top-notch student manager. As a coaches' right-hand man, they must have the ability to fight their way through dirty athletic uniforms, speed to dodge flying footballs and basketballs, tact to handle an athlete's fits of rage, and the ability to think clearly in the midst of an intense moment in a game. Student managers add much to the organization of a team by packing trunks, keeping charts, upkeep of uniforms, and above all, give moral support to the team.

# MAKIN' MUSIC

## Band Combines Variety, Excellence

Proving versatility and to keep things from getting boring, the EHS Band, under the direction of Tom Kusler, could convert from a concert band, to a pep band, to a stage band, and to a marching band and back again. In district contest the concert band and stage band both received double star ratings. EHS band members were kept busy all year selling jewelry and popcorn to help finance new band uniforms. They performed music at the Christmas concert, ELOE, spring concert, district contest, Arts Jamboree, and marched for Memorial Day, Round-Up Days, and Gypsy Days in Aberdeen.

## EHS 1979 Honor Mixed Chorus

Ellendale was chosen as the 1979 Honor Mixed Chorus, and under the direction of Dorene Babcock, performed at the Honor Concert held in April. The Girls' Chorus and Swing Choir also received star ratings at district contest, but due to the lack of participants this year, Ellendale had no Boys' Chorus. Other performances given by the choral department were in the Christmas Concert, ELOE, Spring Concert, and the Arts Jamboree.

# BOYS' TRACK

## Kurth Takes State

The EHS boys' track team, under the coaching of Brian Henson, had a very successful year despite a shortage of participants. The team possessed quality, not quantity. Dale Kurth, EHS junior, won the state discus title with a 142-foot, 5-inch toss at the state "B" meet in Wahpeton. He became Ellendale's first state champion since 1971, and helped Ellendale come in eighth in state with 21 points. Also placing were Glenn Mastel, third in the 2-mile, and fourth in the mile; and Erik Sand, sixth in the 440 yard dash.

## "WE MADE IT!"

### 1979 Seniors Say Good-Bye To EHS

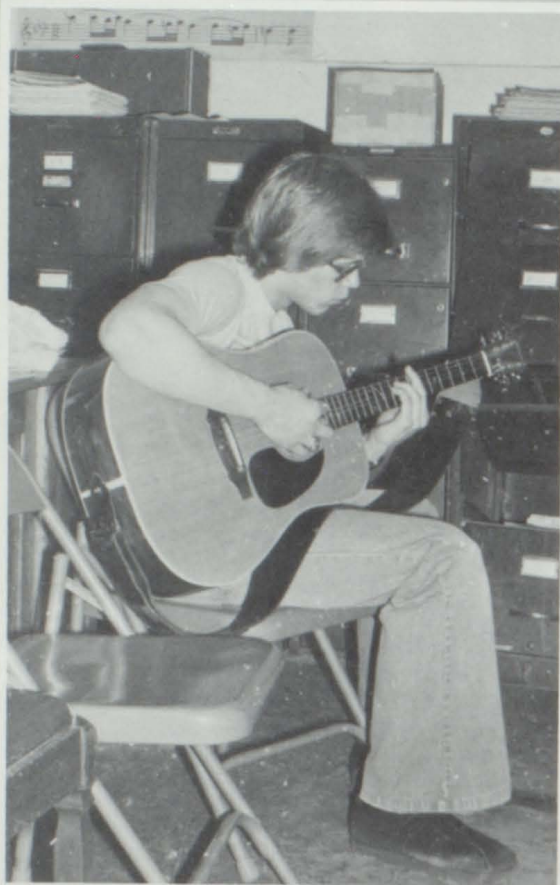

Rev. Glahn and Pastor Olson performed Baccalaureate services, held May 20 in the high school gym. Cindy Roeszler sang "He Shall Feed His Flock". "Whatever We Strive For Is Within Our Reach", filled the air May 24, when 38 students marched in for their long-awaited graduation. The seniors chose dark blue, maroon, and white for their colors. Long stem roses, the class flower, were carried by the girls. The class, as a whole, sang "These Are The Best Times". Upon receiving EHS diplomas from Barbara Heine, the EHS Class of 1979, left the doors of the school to enter a new phase in their lives.

# SENIORS HAVE BUSY YEAR

## Seniors Restore "The Pit"

The Seniors had a busy year. They restored "The Pit" with new coats of paint, paneling, a pop machine, radio, and occasionally, homemade goodies! It was a year of senior pictures, announcements, memory books, graduation caps and class keys. Along with the regular high school activities, being a Senior meant getting mail from all surrounding colleges or trade schools, using up lots of pens on pictures, memory books, etc., spending a lot of money on postage for announcements and thank you notes, filling out college forms, roasting a pig on "Skip Day", taking ACT tests, Baccalaureate Service, graduation, and becoming close to friends in your class you've grown up with for years. It was all of this and it was the end.

## ELMA DE JONG

### A Gift From Holland

It can be lots of fun exploring a new culture. Elma de Jong, a foreign exchange student from Holland, came to the US on the Youth For Understanding program for a year. She stayed with the Fred Brost family. Elma attended school at EHS as a senior. The differences she noticed were friendly teacher-student relations, how the kids tend to dress up more for school, and how sports are closely incorporated into school life. One of her highlights of the year was experiencing a "North Dakota" winter.

RIGHT - Having school sports was new to Elma, who was an avid Cardinal fan. BOTTOM - Part of Elma's year was experiencing many EHS - type American events, such as the high school prom.

## Home Sweet Home!

Ellendale is a comfortable community of friendly faces and familiar places. Ellendale is also a progressive community. During 1978-79 many changes took place. For the second time in three years, Ellendale took first in the State Community Betterment Contest, placing second the other year. The Community Betterment Organization was also responsible for building a center and securing a bus for the senior citizens. A new supperclub, the Cabin West, and a Travel Host Motel were built along Highway 281, the Amateur Baseball Team won the State Tournament and Round-Up Days added excitement to the summer's activities. The Public Library that was in City Hall was moved into new facilities in the Senior Citizens' Center.
